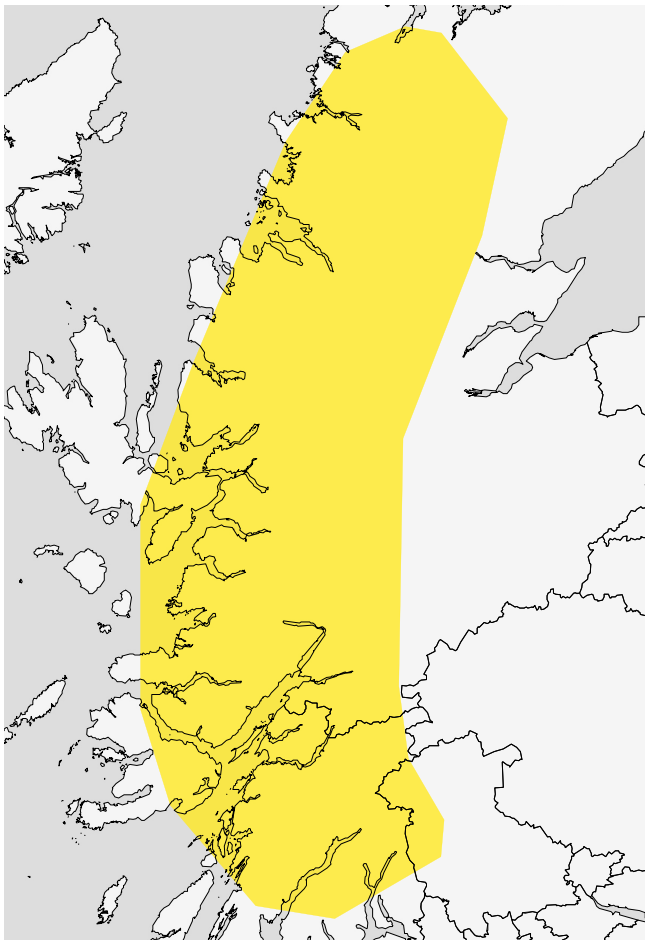
Yellow warning
Rain

Between
18:00 Sun 10 Jan 2021 and
18:00 Mon 11 Jan 2021



Heavy rain and melting snow may bring some flooding and travel disruption.

What to expect

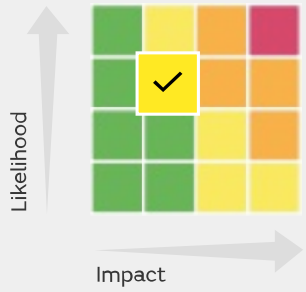
- Spray and flooding on roads probably making journey times longer
- Bus and train services probably affected with journey times taking longer

Further details

Rain will become persistent and heavy at times during Sunday, continuing on Monday. Rainfall accumulations of 60 to 80mm are expected over high ground. In addition, there will be a thaw of lying snow adding to the flooding and travel difficulties. The rain will turn back to snow on high ground from the north later on Monday before clearing.

Reason for update

The warning area has been extended further south into North Argyll, and the start time delayed until evening.



Medium likelihood of low impacts
